UUBEETANI

On the morning of July 13, 2011, Mrs. Mildred Chino welcomed guests who attended the presentation of the K'awaika Keres Summer Language Program. The student gave a traditional blessing.

The K'awaika Keres Summer Language students sang four different songs: "Si'i", "Iyaatra", and "Bureiga". Roland Johnson created "Unamaaty," for the students. Teaching Teams, Alvin Martin and Josephine Brown, Virgil Reeder and Joyce Pedro, and Edward Ruben and Elvie Romero, along with students, gave demonstrations. Some of the presentations were: singing songs, naming items of a table setting, and naming clans from pictures.

Also in attendance, participating in the ceremony, was Honored Speaker, Governor Richard Luarkie. Students participated in K'awaika dances with singing done by the Riley brothers.

At the conclusion of the ceremony, refreshments were served. Thank you, teachers for taking the time to get the language program off to a great start!
